Bournemouth Archaeology

Archaeological and Built Heritage Consultants

Bournemouth Archaeology

Bournemouth Archaeology is a multi-disciplinary heritage consultancy operating throughout the UK with a long established track record of providing archaeological services and advice to a wide range of clients.

We offer archaeological services at all stages of the planning process, as well as supporting community archaeology projects.

Our wealth of expertise and our proven track record in archaeological investigations means we can provide a comprehensive, tailored solution to suit your needs whether it is commercial or research driven.

How we can help?

We offer professional advice on:

- All archaeological and built heritage issues
- The efficient resolution of heritage constraints to development
- The resolution of archaeological and cultural heritage requirements in planning conditions
- The scale, duration and cost of on-site archaeological investigations including watching.

Our services include:

- Desk-based assessments
- Watching briefs
- Archaeological evaluations
- Geophysical survey
- Excavations
- Post-excavation services
- Project management
- Historic Building Recording
- 3D Laser Scanning
- Topographic Survey
- GIS
- Archaeological Remote Sensing
- Environmental sampling and analysis
- Osteoarchaeology.
