EnDOW

**Enhancing access to 20th
Century Cultural Heritage
through Distributed Orphan
Works Clearance**

A project jointly funded by
HERITAGE PLUS
and
the European Commission

PARTICIPANTS:
CIPPM, Bournemouth University
CREATE, University of Glasgow
IViR, University of Amsterdam
ASK, Bocconi University, Milan

KEY OBJECTIVES of EnDOW

- ❖ To analyse the **legal requirement** of “diligent search” across the orphan works legislation of the countries members of Heritage Plus
- ❖ To investigate **best practices** of orphan works clearance across cultural heritage sectors (libraries, archives and museums);
- ❖ (*Based on this knowledge:*) to design, implement and optimize an **online platform for crowd-sourced diligent searching** on works contained in the collections of European cultural institutions;
- ❖ To study the **potential applications** and challenges of the crowd-based search method for texts, images, films, works of visual art and born-digital cultural heritage works.
