To Whom it May Concern,

As part of Google's growing efforts to support excellent research in academia, we are pleased, effective August 19 2014, to award Bournemouth University an unrestricted gift of \$40,000. We understand Bournemouth University currently intends to use this gift towards "Enhancing Access to European Books through Crowd-Sourced Diligent Searches".

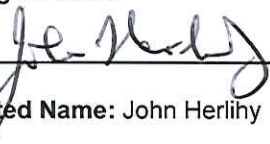

This is an unrestricted gift; however, we would appreciate receiving news about how the gift is used, for example, through copies of reports, publications, or status letters about research benefited by our gift. We would also appreciate receiving attribution or acknowledgment of our gift in applicable University publications. It is our hope that any researcher(s) who benefit from this gift will consider releasing any code or data from their project under an open source permissive license such as the Apache license. Please be advised that nothing in this letter should be interpreted or construed as creating or establishing the relationship of employer or employee between the researchers and Google.

Please have an authorized individual of Bournemouth University sign in the space provided below to evidence Bournemouth University's acceptance of this gift, and return this page to us at the following:

Educational institutions may have ethics rules that apply. By signing below, Bournemouth University represents that accepting this gift is consistent with all applicable laws and regulations, including relevant ethics rules and laws, and this gift will not negatively impact Google's current or future ability to do business with Bournemouth University.
