

National Library of Scotland

# Enabling contemporary information at scale

Mass digitisation potential in a legal deposit library

**We will make it easier to access our collections. By 2025 – the centenary of the Library’s foundation – we will complete a full listing of the Library’s holdings and have a third in digital format.**

---

We will identify the main collection areas for digitisation and take action to make that material globally available.

# Pamphlet Series 5

~130,000 items

~ 7,000: 1850-1905

~ 1,640 each year between 1905 and 1980

United only by size

Social sciences and humanities

Social issues within Britain, Scottish politics,  
religion, and society

Societies, organisations, academies, other  
groups, or individuals published by a publishing  
company

Mainly non-fiction and primarily text

Fall-back exception  
Licences where possible  
Flipping the copyright logic for  
mass digitisation

# THANK YOU
