

<p>Lessons Content experience</p>	<p>Adoption of a single, consistent structure across all units for students, which helps make Brightspace easier to navigate and find and revisit content.</p>
<p>Student contact points -Announcements -Email Notifications</p>	<p>Key Announcements can now be pinned to the top of the Announcements display. Email Notifications are now turned off. Encourage students to check notifications via their units and use the Pulse app.</p>
<p>Unit Information and Organisation -staff guidance</p>	<p>Each content module now includes a staff guide with integrated step by step guidance on unit design and structuring content.</p>
<p>Video Notes</p>	<p>Recommendation to use short Video Notes in each of the main module areas to introduce the content within that section.</p>
<p>Teaching Team Widget</p>	<p>Coming soon! Automatically pulls teaching team information from the Classlist.</p>
<p>Assignment Brief</p>	<p>New HTML templates have been created for Faculty Assignment briefs.</p>
<p>Default Discussion Board</p>	<p>Make use of the default Discussion forums which include detailed instructions for students on their use.</p>
<p>Weekly topics and Learning Materials -Naming convention</p>	<p>To retain consistency follow the naming format as laid out on the default modules i.e. '1. Topic – w/c dd/mm/yy' .</p>
